Guarantee of Fertility

- (a) BULLS: Save and except for calves at foot, all bulls are guaranteed breeders and to so prove within six months of the date of the sale or by reaching the age of 24 months whichever date shall be later.
- (b) Claims under Clause (a) guarantees of fertility must be made to the vendor within 6 months from the date of sale and prior to the animal entering a quarantine area other than on the vendor's property.
- I. All claims must be accompanied by a Veterinary Certificate which must clearly identify the basis of the claim.
- II. Infertility resulting from injury or disease occurring after the sale of the animal will not be covered by this guarantee.
- III. The vendor retains the right to have the animal placed on a property nominated by him or returned to his own property for further assessment of fertility for a period not exceeding 6 months. In the event of the animal being proven fertile within the period, the costs incurred shall be borne by the purchaser. In the event of the animal not being proven fertile within the period the costs incurred shall be borne by the vendor.
- (c) LIABILITY OF A VENDOR: Except for costs defined elsewhere in the Conditions of Sale, the liability of a vendor in respect of claims relating to fertility shall not exceed the purchase price of the animal/s or provide mutually agreed upon replacement animals.
- (d) REFUNDS: In the event of a claim being substantiated and the purchase price being refunded, the animal/s shall automatically become the property of the vendor and be returned to him or disposed of according to his instructions at his expense.
- (e) This guarantee is voided automatically if :-
- i. The animal is returned to the Vendor:
- a) In poor physical condition or with any injury as determined in the sole discretion of the vendor acting reasonably; or
- b) Test carried out on behalf of the vendor within 14 days of return prove positive to any diseases which may affect the animals' fertility or ability to breed naturally; or
- ii. The purchaser admits that it has, or the vendor forms the view acting reasonably that the purchaser has collected and stored semen from a bull or embryos from a female.
- (f) In the event of a dispute as to whether an animal is a breeder, such dispute shall be resolved by the vendor and the purchaser and the agent, while he will use his best endeavours to assist, shall have no liability or responsibility in that regard. In the event that the animal is alleged or proved not to be a breeder, the purchaser shall nevertheless be obliged to pay the agent the full price and any other moneys or interest payable by the purchaser in accordance with these Terms and Conditions.
