

Thinking of Selling this Spring?

Hello Gunnedah!

Spring is traditionally one of the busiest times in our local property market, so we thought we'd share a quick snapshot of what's been happening across Gunnedah over the past 12 months.

267 homes sold. \$158.6 million in property changing hands, and value is up 18%.

Behind every one of those numbers, is a local family making a move, an investor making a decision, or someone beginning their next chapter.

If you're wondering what the changing market might mean for your property, we'd love to have a chat.
