Low cost ways to maximise your sale price

real talk weekly

In this episode of Real Talk Weekly, Thomas Sims and Jonathan Vescio share six low-cost ways to maximise your sale price. From decluttering and deep cleaning to affordable styling and pro photos, they reveal expert tips to boost buyer appeal and get the best result when selling your property.

every monday 7:45pm

Smart sellers are acting now!

what's the property market doing in 15 seconds?

"Excuse me, what's the property market doing in 15 seconds?"

- Low stock, high buyer energy.
- First home buyers are hot.
- Off-market listings gaining traction.
- Smart sellers are acting now, not waiting for spring.

everyday 7:45am

Inside the mind of a make believe buyer

novak morning minutes

In this episode, Lisa Novak and Billy Drury dive into the curious world of "make-believe buyers" in real estate. They share bizarre encounters, red flags to watch for, and practical tips agents can use to protect their vendors from time-wasters, frauds, and fake multi-millionaires. A must-watch for industry professionals!

everyday 7:45am

Finding your glide path in life

novak morning minutes

In this episode, Mark and Billy unpack the concept of the "glide path"—a mindset for navigating life's challenges, especially in property ownership. They share personal stories, practical advice for first-home buyers, and how consistency and patience can ease the stress of new responsibilities. A motivating, insightful morning chat.

everyday 7:45am

State fast-tracks development, councils overridden

novak morning minutes

In this episode, Michael Burgio and Mark Novak break down major state government planning changes impacting Northern Beaches developments. They explain the fast-tracking benefits of State Significant Development (SSD), how it overrides local council controls, and why consolidating sites is now more valuable than ever. A must watch for landowners and developers navigating the evolving property landscape.
